Question No. 1

Witness: David Sinclair

Q-1. In Connection with the proposed Unwind Transaction, have any of the E.ON Entities, or any other person acting on their behalf or with their knowledge or consent, agreed or promised to give to any person anything of value that is not fully and completely set forth in the Big Rivers Electric Corporation's Unwind Model? If yes, explain in detail.

A-1. While E.ON U.S. LLC provided Big Rivers Electric Corporation with information for use by Big Rivers Electric Corporation's consultant to prepare the Unwind Financial Model, E.ON U.S. LLC did not assist Big Rivers Electric Corporation or its consultant with the preparation of the Unwind Financial Model or review the results of Unwind Financial Model in connection with the negotiations with the Termination Agreement. E.ON U.S. LLC therefore does not possess sufficient knowledge or information to state exactly what information is included in the Unwind Financial Model.

The full and complete description of all the consideration offered by the E.ON Entities or any other person acting on their behalf or with their knowledge in connection with the proposed Unwind Transaction is described in the testimony of Mr. Paul Thompson or in the other testimony and exhibits filed with the Joint Application.
